

**IF WE WORK TOGETHER, WE CAN CREATE A NEW FUTURE:
ONE IN WHICH WILDLIFE AND HABITATS CAN MAKE A COMEBACK.**
Every single day YOU make an impact on the planet. One simple choice can make a world of difference to wildlife. The choice is up to YOU!

THE FOSSIL OF OUR TIME

Plastic is EVERYWHERE! It's crazy to think that nearly every piece of plastic ever made - and thrown away - still exists today!

Humans are the only animals making waste that nature can't recycle. **BUT** the good news is we are also the ones that can create change to shape the plastic free ocean and land ecosystems of tomorrow!

- I have a reusable water bottle
- My family uses reusable shopping bags
- I refuse plastic straws
- I have a waste free lunchbox every Wednesday

TREE BY TREE

Each tree Taronga helps put in the ground that connects critical habitat, creates resilient and healthy forests for Koalas in the wild.

CHOOSE FSC

Make a forest friendly sustainable choice when purchasing timber and paper products.

There's plenty more fish in the sea...
**right?...
wrong!**

There are fewer fish in the sea than EVER before! Wild fish are being caught in a way that is unsustainable...it cannot last.

So you want to have your sushi and eat it too?!? What can you do?

Head to Seals For the Wild [map ref 9F] and learn all about the MSC big blue tick

- **Think about what you are eating and the journey of your food.**
- **Make sure to look/ask for the MSC logo when you or your family and friends are purchasing seafood**
- **Make better choices For the Wild, For the Oceans and for a shared future.**

This will help secure sustainable seas for a shared, healthy future!

TIGER trek

Agents head to Tiger Trek today and move your way through Way Kambas National Park, Sumatra to learn how you can make a difference for Sumatran Tigers by going to the supermarket.
