

# FOR THE FROGS

**TARONGA ZOO & CADBURY DAIRY MILK FREDDO** have come together to be important members of the **AMPHIBIAN ARMY!**

Together we are on a mission to save the Northern Corroboree Frog. Saving the Northern Corroboree Frog is a huge step in the right direction for the conservation of amphibians all around the world!

## FABULOUS FROGGY FAST FACTS...

**Ooh la la**

Male Corroboree Frogs are wonderfully romantic... sigh. They sing fabulous love songs to impress their female partner... smooth!

Corroboree Frogs are as unique as you and me. Their black and yellow patterns are an artistic masterpiece, and the amazing thing is no two are the same!

**You-nique**

**Teeny-Tiny**

Corroboree Frogs are about the size of a paperclip, measuring between 2.5 – 3cm!

Corroboree Frogs don't jump... they prefer to take a stroll and walk where they need to go!
